CHERRY HILL  
POLLED SHORTHORNS**

*to be held at Worthington Farm*

**Glyndon, Maryland, Saturday, Oct. 29, 1949**

## *General Information*

This is our Third Annual Sale. Since our last sale the Cherry Hill herd has been moved to Worthington Farm, Glyndon, Maryland . . . six miles East of our old location.

This sale will be held at Worthington Farm on Saturday, October 29, 1949, starting at 1:00 P. M. Eastern Standard Time. Lunch will be served at the farm.

Worthington Farm is located 16 miles North of Baltimore at the intersection of Green Springs Avenue and Tufton Avenue . . . in the Worthington Valley of Maryland.

We ask all who travel by train, bus or airline to advise us in advance so that we can meet them in Baltimore. We will also be glad to arrange hotel accommodations for all who request them. Letters requesting hotel accommodations should be addressed to Mr. H. L. Straus, 5133 Reisters-town Road, Baltimore 15, Maryland.

We suggest that you arrive on the day ahead of the sale so that you will have an opportunity to inspect the Cherry Hill herd of breeding cows and the herd bulls, Collynie Compact x, Edellyn Royal Leader 2nd, and Sni-A-Bar Control. We have arranged an informal buffet dinner to be held at the farm on the evening prior to the sale. We would like to have you with us. Please advise in advance when you will arrive.

The auctioneers will be J. E. Halsey and Milton J. Dance.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance.

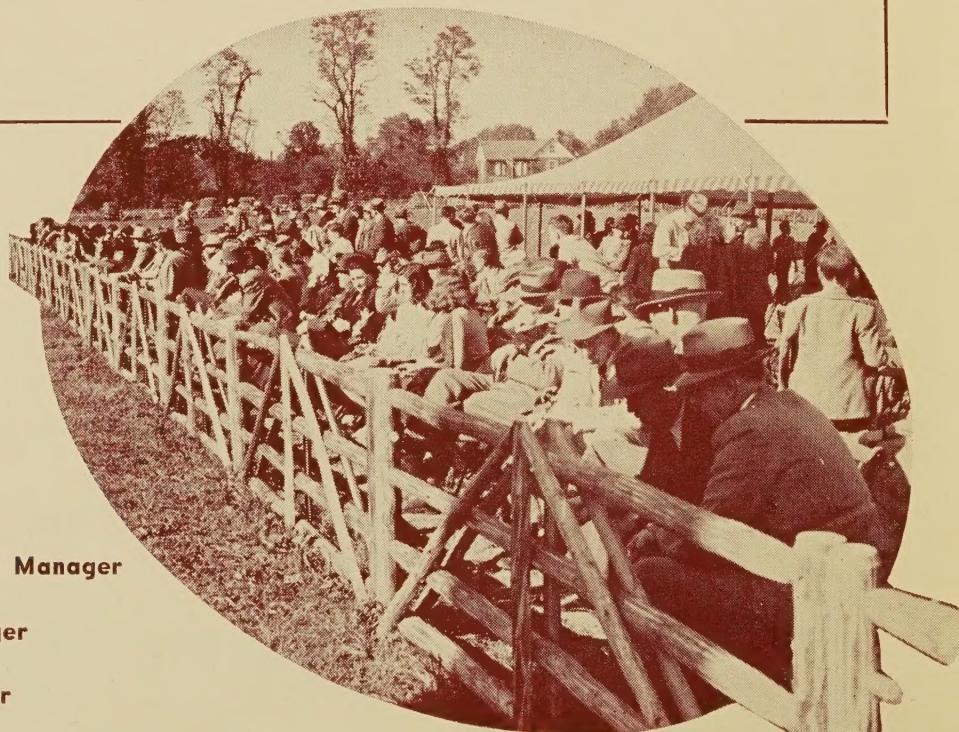

Hal Longley, The Shorthorn World, Aurora, Ill.

Clinton K. Tomson, Secretary, American Shorthorn Breeders' Ass'n., 7 Dexter Park Ave., Chicago 9, Ill.

F. W. Harding, Lloyds of London, 807 Exchange Ave., Union Stock Yards, Chicago 9, Ill.

B. C. Snidow, The Breeder Magazine, Warrenton, Va.

Please note—A map showing exact road directions from Baltimore to the farm appears on page 6. If you drive your own car you will have no trouble reaching the farm. If you travel by train to the sale, we want you to be sure to advise the time of your arrival so we can provide auto transportation to the farm.

## *Foreward*

We did not have a sale at Cherry Hill in 1948 because we wished to add most of our heifers by COLLYNIE COMPACT X and EDELLYN ROYAL LEADER 2nd to our herd. This year we are able to offer a new crop and in addition we are selling a number of our better brood cows, some with calves at foot, and all bred to our good bulls. We are selling these cows because our facilities at Worthington Farm are limited and, for the present, we must reduce the herd to sixty-five matrons. Those catalogued are good individuals with good pedigrees. They are proven producers. They are in no sense culls. They have helped establish the reputation of Cherry Hill and will do the same for their next owners.

We are also offering five young bulls. Occasionally we have heard it said that our bulls are not as good as our females. We don't believe this is true. A bull's value depends on the calves he produces. Those we have sold have been by great producing sires out of outstanding dams. If you want to know how good they are ask the men who have used them. Their calves are better than the dams which drop them; not spasmodically, but almost without exception. They are herd improvers. Our record proves that sooner or later you will have to have a Cherry Hill bull!

We are very anxious to have you attend this sale. We realize that we are off the beaten track, but Maryland is lovely in October. The days are cool and fine and the colors are beautiful and inspiring. They do something for the soul. Train and air facilities are of the best and good roads and lovely scenery will make an automobile trip a real joy. You will be very welcome whether you buy or look, and we would like to have you for a buffet supper on Friday if you will just take the trouble to send us a post-card saying you are coming.

"J" AND HARRY STRAUS

## Headquarters

We have not named any particular hotel as a headquarters for the sale because we want the sale headquarters to be at the farm. We ask that you allow us to make your hotel reservations. Please let us know the number in your party so that we may make proper arrangements. Address H. L. Straus, 5133 Reisters-town Road, Baltimore 15, Maryland.

*At the left are shown some of the members of the Cherry Hill breeding herd. Because our new farm will only accommodate sixty-five brood cows, it is necessary to reduce the present number, and twenty of our good cows are included in this sale.*

## Guarantee . . .

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

### TERMS

The terms of the sale are cash.

### HEALTH

The Cherry Hill Polled Shorthorn herd is Federally Accredited for BOTH Tuberculosis and Bang's Disease. As a further health safeguard we have practiced calf-hood vaccination. Nearly all of the young cattle in the sale have been vaccinated for Bang's. Health Charts will be provided that will comply with the regulations existing in any state.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

**Cherry Hill Farm will pay up to \$100 freight on any carload of ten head or more of cattle purchased in this sale for shipment to one destination. Herd accredited for T.B. and Bang's.**

## Please Note

The Carl D. Cross Sale at Van Wert, Ohio, will be held on Thursday, October 27th. The Cherry Hill Sale will be held on Saturday, October 29th. A day has been allowed between the two sales for comfortable transportation. Whether you travel by train, auto or airline, it will be easily possible for you to reach Worthington Farm, Glyndon, Maryland, in time to spend the afternoon and evening with us ahead of the sale.

*At the right are shown four beautiful heifers that are included in this sale. From left to right, they are: C H Golden Missie x (Lot 25), C H Lady Augusta x (Lot 11), C H Royal Nonpareil 2d x (Lot 7) and C H Princess Royal x (Lot 22).*

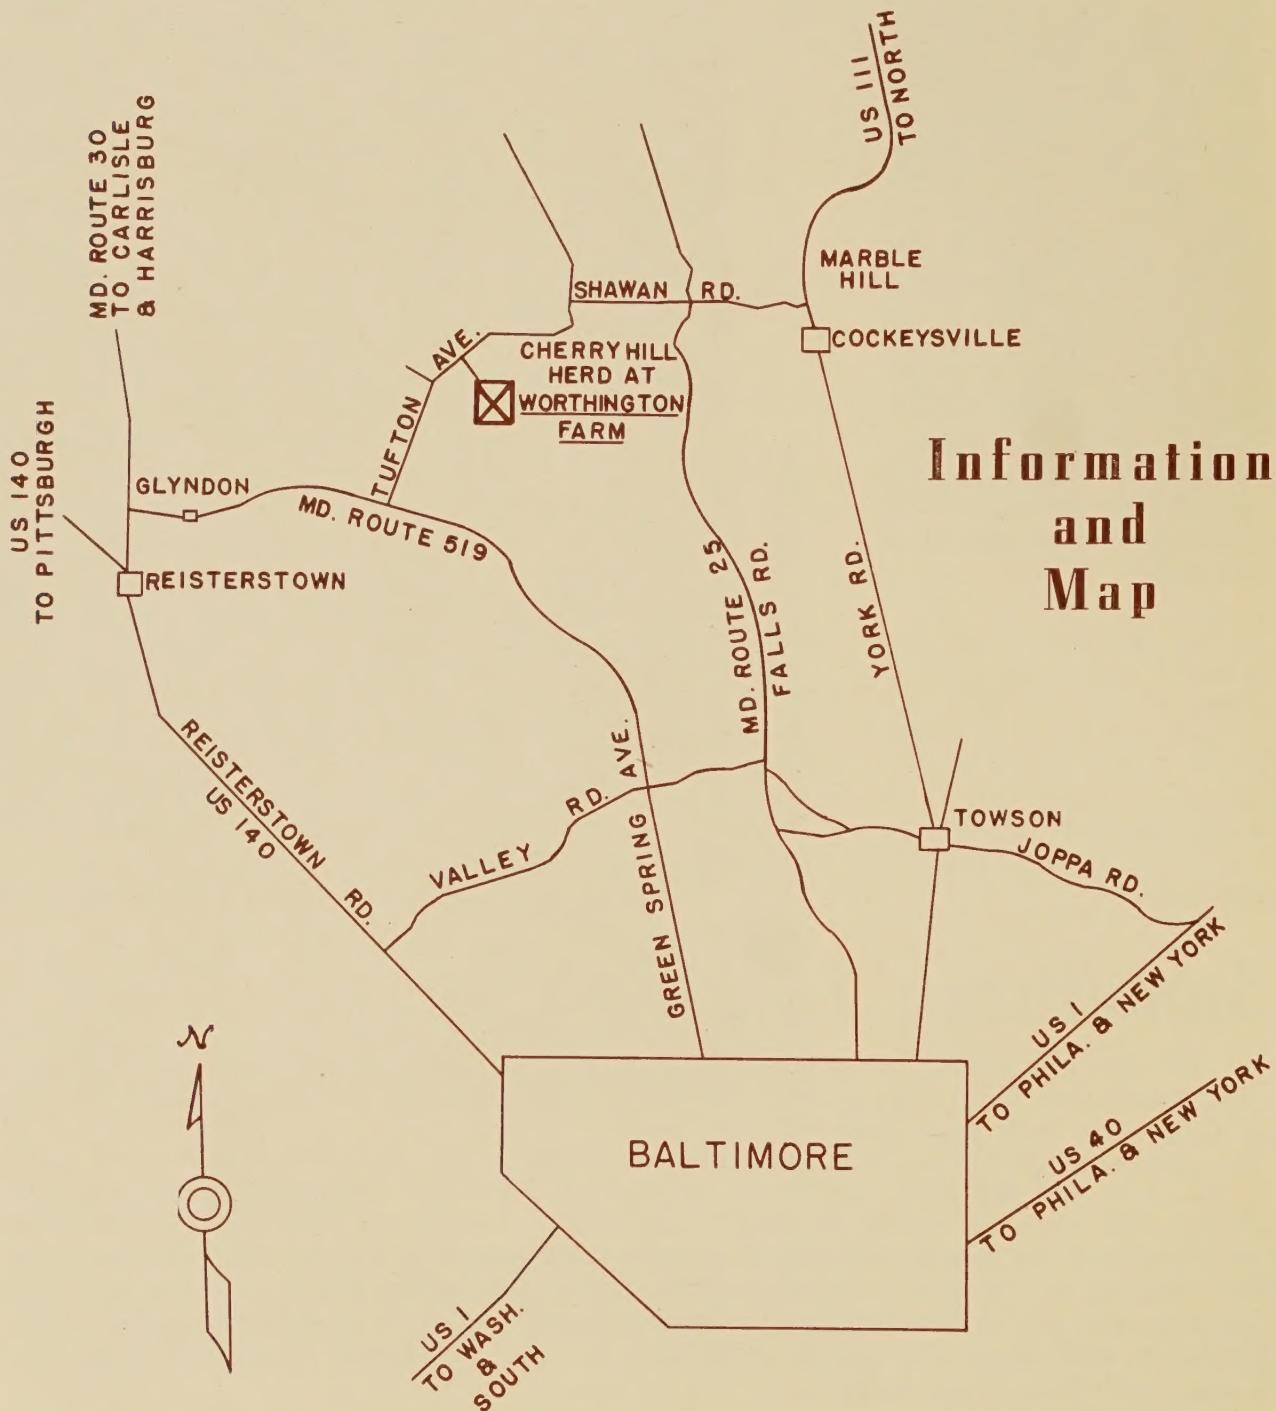

## Something To Think About

Do you recall that six different buyers in the First Annual Cherry Hill Sale saw their purchases win a top prize in the 1946 International Live Stock Show? Three of them saw their purchases win first prizes and one saw his purchase win a grand championship at that same show. Another buyer in this same sale takes great pride in the fact that the bull purchased proved good enough to sire the champion bull at the 1949 National Polled Shorthorn Congress. A buyer in the second annual sale saw the bull he purchased win a reserve championship at the 1947 International. Still another buyer in the second annual sale is supremely happy because the bred heifer he bought at \$750 produced a bull calf that sold at six months of age for \$1150! Scores of similar success stories could be told . . . all provide convincing proof that Cherry Hill Patrons are happy.

The Third Annual Sale is the most important in Cherry Hill history because the offering will contain not only the choicest individuals in the herd, but also it will contain a part of the actual breeding herd. Twenty outstanding cows will be included in this auction. These are not culls . . . there are no culls in the Cherry Hill herd. They are royally bred cows that have produced prize-winning and top-selling calves. All are in calf or have calves at foot by the famous Cherry Hill herd sires. Add to this group the twenty beautiful heifers and six outstanding bulls bred at Cherry Hill and sale day guests will be provided with the best buying opportunities of the year.

Maryland is beautiful at this season of the year . . . and remember, Maryland isn't far when Polled Shorthorns like these are to be sold.

HAL LONGLEY  
of The Shorthorn World

The map shows the Baltimore area. Worthington Farm is easy to find and worth finding for any Polled Shorthorn breeder.

Many will be making the trip to the Cherry Hill Sale from the Carl Cross Sale which is to be held at Van Wert, Ohio, on Thursday, October 27th. A day has been allowed between the two sales and the trip by auto will be delightful. Drive straight east from Van Wert on 30 N (the Lincoln Highway). At Pittsburgh, pick up the Pennsylvania Turnpike and stay on it until you reach Harrisburg, Pennsylvania. Then turn south on Route 111 to Baltimore. Remember, Worthington Farm is 16 miles North of Baltimore, so you do not need to go into the city unless you care to do so.

Bear in mind that the nation's capital is only 50 miles south of Baltimore. Since the Cherry Hill Sale is on Saturday, we suggest that you drive on south for a Sunday in Washington, D. C.

Those who travel by train from the Carl Cross Sale may take the Pennsylvania R. R. in the early evening on Thursday, October 27th, arriving in Baltimore Friday morning. This will give you a day to inspect the Cherry Hill herd. Don't forget . . . we want you to attend our buffet dinner at the farm on Friday evening, the night before the sale.

Please let us know your travel plans so that we can meet you. If you desire reservations by rail or hotel reservations in Baltimore, please write to H. L. Straus, 5133 Reisterstown Road, Baltimore 15, Maryland.

We searched the Country for a bull that measured up to our specifications for type and conformation and that was bred to reproduce the polled characteristic. We found him in Collynie Compact x. He combines the blood of two great improvers, King Collynie Jr. x and Daybreak's Collynie x. His calves are such marvels for blockiness, shortness of leg and thickness of flesh, that they won first prize in the get-of-sire class at the 1946 International. Be sure to see this bull and his calves on sale day.

**Edellyn Royal Leader 2d**

We purchased Edellyn Royal Leader 2d because we wanted to infuse into Cherry Hill Polled Shorthorns the best blood of the Shorthorn breed. He is by the noted Edellyn Royal Leader by Coldoch Sensation. His imported dam is by Calrossie Sweepstakes, he the sire of the Perth champion Imp. Royal Rothes. He has been mated to intensely bred polled females and the calves display the character, quality and style that we must have to carry Polled Shorthorns to greater heights.

We purchased Sni-A-Bar Control so he might reproduce his faultless conformation in the polled form. His record has few equals in show ring history. He won highest honors consistently as a calf, as a yearling and as a two year old. In 1946 he was the undefeated grand champion, winning this honor at both the American Royal and International Shows. As an individual he has won the admiration of beef cattlemen of all breeds. As a sire, he has few equals. A bull and two heifers, his first polled calves, are selling in this sale along with a number of choice cows and heifers carrying his service.

Here are some of the brood cows that are to be included in the Cherry Hill Sale. All are daughters of famous sires. All have produced top calves in this herd. All are in calf to or have calves at foot by the great sires in service in the Cherry Hill herd.

*On* the following pages will be found the pictures and pedigrees of forty females that are to be offered in this sale. The bloodlines will please the most critical . . . and a study of these animals on sale day will convince you that they are just the kind of individuals you would expect from such rich ancestry. Buy this kind wherever you can find them! No matter how much they cost or how far you have to travel, go there and buy them! They are the kind that will take you to the top.

CHERRY HILL POLLED SHORTHORNS

The Best Pair of Females, Any Age, bred by Exhibitor at the 1949 Polled Shorthorn Congress—CHERRY HILL CLARA A, grand champion female, and CHERRY HILL ESTELLE 2d—both by Collynie Compact x. These two with CHERRY HILL ADVANCE won first prize in the important get-of-sire class.

## About the cows in this sale . . .

On the following pages and elsewhere in this catalog will be found the pedigrees and pictures of twenty cows that are to be included in this sale. They are offered only because the new farm on which the Cherry Hill Herd is quartered will accommodate only sixty-five breeding cows and the present number must be reduced. These cows are daughters of the most famous sires of the Polled Shorthorn breed. They were purchased at top prices from noted breeders. All have produced good calves and all have calves at foot by or are in calf to Collynie Compact x, Edellyn Royal Leader 2d or Sni-A-Bar Control. Those who attended our last sale saw an Indiana breeder buy at \$750 a cow carrying the service of Edellyn Royal Leader 2d. This cow produced a calf that sold at \$1150 when only six months old, and this same calf won grand championship at the recent Maryland State Fair in horned competition. This same thing can happen again. The twenty bred cows and twenty beautiful Cherry Hill heifers in this sale provide unusual buying opportunities.
